 **Kirklees**
COUNCIL

INTEGRATED YOUTH SUPPORT SERVICE

The Activities in this leaflet are run by the Kirklees Young People Service teams, and now part of a new service, the Integrated Youth Support Service (IYSS).

The rationale for IYSS is based on the recognition that all agencies working with young people should integrate their work around the needs of young people. Some of these services will be provided by the Council; in other cases it involves a partnership approach. Much of the background to this was covered in the national guide for 'Targeted Youth Support' published in 2008. In some aspects Kirklees had already moved towards this by establishing a Young People's Service which combined a number of elements of youth provision. IYSS takes this further and will offer services which are:

Preventative: e.g. youth work, detached work, play and recreation;

Targeted: A tailored package of support to individual or targeted groups of young people. These will include young people considered "at risk".

Statutory: Those young people who are involved with the YOT as part of a Police or Court ordered sanction.

These services are interdependent; disinvestment or poor performance in one is likely to have a knock on effect and create greater demand elsewhere. The theory is that the more we are successful in prevention the fewer there should be requiring targeted or statutory services.

Richard Smith
Head of Integrated Youth Support Service

Voice & Influence

The IYCE Team work with small and large groups of children and young people, involving them in fun activities like sport, art and music to find out about the things that are important to them. Young people are encouraged to share ideas about how things can change for the better and get involved in campaigning.

Kirklees Youth Council

Youth Councillors are elected to represent young people from their locality to enable young people to have a direct say on what the Council and other services are doing for young people in Kirklees.

Voluntary and Community Sector Support

Young People's Service commission local organisations to run school holiday activities.

Training

Young People's Service offers training opportunities for those who want to become a volunteer working with young people, from Diploma in Youth Work to Sports Leadership Awards.

Projects

YPS offer many more activities and opportunities, from training in food hygiene to international youth exchanges and cultural visits. Just attend one of the sessions and ask for more information.

Adventurous Activities

YPS has a qualified and excellent team of instructors licensed to deliver a range on Adventurous Activities like caving, mountain biking, and much more. They are able to support groups and young people with help and advice or run session for young people.

Help & Support

Support can be offered to referred young people living in Kirklees through the Positive Activities for Young People (PAYP) and Youth Inclusion Support Panel (YISP) programmes for young people aged 8-19 years. Referrals are welcome from agencies working with young people, for any queries please email: yps.referrals@kirklees.gov.uk

If you are 11-19 years and having difficulties with education employment or training then you can access help from your local Connexions Centre <http://www.workabout.org.uk/>

Parent/Carer,*

Important Information

YPS activities are usually open access which means that young people can attend as and when they wish.

Every effort is made to watch over children and young people - they are asked to inform staff when they wish to leave activities –open access schemes allow young people to attend freely.

Parents/carers can help make sure children and young people co operate with staff.

Parents and guardians still have ultimate responsibility for the whereabouts or behaviour of their children. If you have queries about your child's attendance or behaviour, please speak to the supervisor on site.

Sessions are held at various settings. Some have very good facilities and are easily accessed while others may be held in a park, play area, multi-court or recreation field. If you have any questions about shelter, access or toilet facilities please contact Young People Service, number on the back of the leaflet.

Supervision Levels on these scheme can be as low as 1 to 30 should any individuals require more care please discuss with the session lead, or contact Young People Service, number on the back of the leaflet.

Any young person taking part in these activities is covered by Kirklees Councils third party Liability Insurance.

All YPS Programmes need children and young people to "register"– this is not complicated and is free. Just complete the registration form on the next page and bring it along to your first session.

Not sure which activity is for you? Come along to one of our mini-festivals to try a bit of everything at

JAM' in Kirklees
